

### Main

|                           |  |
|---------------------------|--|
| Range                     | Masterpact   |
| Product or component type | Application  |
| Application description   | Energy per phase   |
| Range compatibility       | Masterpact MTZ1 circuit breaker<br>Masterpact MTZ2 circuit breaker<br>Masterpact MTZ3 circuit breaker  |
| Service description       | Calculate and display the total active, reactive and apparent energy per phase<br>Calculate and display energy imported and exported at the point of measure |
| Service benefits          | Follow energy per phase when having large amount of unbalanced loads<br>Follow energy per phase when different usages or tenant are supplied                 |
| Energy management         | Measurement ,energy per phase (option)   |
| Measurement accuracy      | Energy (P,Q,S) +/- 1 % of the measuring range  |

### Complementary

|               |                          |
|---------------|--------------------------|
| Software name | EcoStruxure Power Device |
|---------------|--------------------------|

### Offer Sustainability

|                            |   |
|----------------------------|---|
| Sustainable offer status   | Green Premium product   |
| REACH Regulation           | <input checked="" type="checkbox"/> <a href="#">REACH Declaration</a>             |
| EU RoHS Directive          | Compliant <input checked="" type="checkbox"/> <a href="#">EU RoHS Declaration</a> |
| Mercury free               | Yes   |
| RoHS exemption information | <input checked="" type="checkbox"/> Yes   |
| China RoHS Regulation      | <input checked="" type="checkbox"/> <a href="#">China RoHS Declaration</a>        |
| Environmental Disclosure   | <input checked="" type="checkbox"/> <a href="#">Product Environmental Profile</a> |
| Circularity Profile        | <input checked="" type="checkbox"/> <a href="#">End Of Life Information</a>       |
