

### Main

|                                    |                                             |
|------------------------------------|---------------------------------------------|
| Range                              | Canalis                                     |
| Product name                       | KR                                          |
| Product or component type          | Wall flange                                 |
| Device short name                  | KRB                                         |
| Range compatibility                | Canalis KR                                  |
| Accessory / separate part category | Protection accessory                        |
| Material                           | Stainless steel 316                         |
| [Ie] rated operational current     | 5000 A with aluminium<br>6300 A with copper |
| Polarity                           | 3L<br>3L + N or 3L + PE or 3L + PEN         |

### Complementary

|                   |                                    |
|-------------------|------------------------------------|
| Mounting location | Indoor<br>Outdoor<br>Wall mounting |
| Mounting mode     | By screws                          |
| Width             | 940 mm                             |
| Height            | 500 mm                             |
| Quantity per set  | Set of 1                           |

### Packing Units

|                              |         |
|------------------------------|---------|
| Unit Type of Package 1       | PCE     |
| Number of Units in Package 1 | 1       |
| Package 1 Height             | 3.0 cm  |
| Package 1 Width              | 50.0 cm |
| Package 1 Length             | 94.0 cm |
| Package 1 Weight             | 15.4 kg |

### Offer Sustainability

|                            |                                                                                                                             |
