

## Product data sheet

### Characteristics

# LV864918SP

OFF-position locking - 1 Profalux lock 2 keys + adapt kit - for MTZ1 spare part

### Main

|                                    |                       |
|------------------------------------|-----------------------|
| Range                              | Masterpact            |
| Product or component type          | Locking kit           |
| Locking position                   | In off position       |
| Accessory / separate part category | Locking accessory     |
| Device short name                  | Lock + adaptation kit |

### Complementary

|                      |                                        |
|----------------------|----------------------------------------|
| Keylock destination  | Switch disconnecter<br>Circuit breaker |
| Type of keylock      | Profalux                               |
| Number of locks      | 1                                      |
| Number of key        | 1                                      |
| Key locking position | Off                                    |
| Provided equipment   | 1 instruction sheet                    |
| Offer type           | Spare part                             |

### Packing Units

|                              |        |
|------------------------------|--------|
| Unit Type of Package 1       | PCE    |
| Number of Units in Package 1 | 1      |
| Package 1 Weight             | 191 g  |
| Package 1 Height             | 5.6 cm |
| Package 1 width              | 10 cm  |
| Package 1 Length             | 10 cm  |

### Offer Sustainability

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
